NARRATIVE

On 11/29/2014 at about 1823 hours I was dispatched by police radio to a hit and run vehicle collision in the parking lot of Target located at 9601 Market Place NE in the city of Lake Stevens. Joan Bishop called 911 to report the incident.

Arriving at Target I contacted Bishop who showed me her vehicle parked in the parking lot which had been struck by another vehicle and that the other vehicle caused damaged to her vehicle and then left the scene without leaving any exchange/contact information.

Store security captured video surveillance of the incident and of the driver. Store security was working on obtaining a CD-R of the incident for evidence.

I viewed the video surveillance and observed a white in color passenger car (U1) back out of a parking space and back into the front of Bishop's vehicle (U2), which was parked behind U1 across the aisle. U1 then proceeded away from the scene southbound through the parking lot.

Video surveillance of the driver was also captured. The driver is described as being an elderly adult white male with white hair and a beard who used a cane for assistance while walking. The driver of U1 utilized an electric assisted shopping cart while in the store and made a purchase with a gift card. Store employees who assisted the driver of U1 in the store and who also assisted the driver out to his vehicle did not recognize him as a frequent shopping and none had obtained his name.

At this time though there is video surveillance of the incident and of the driver, the vehicle and the driver have not been identified.

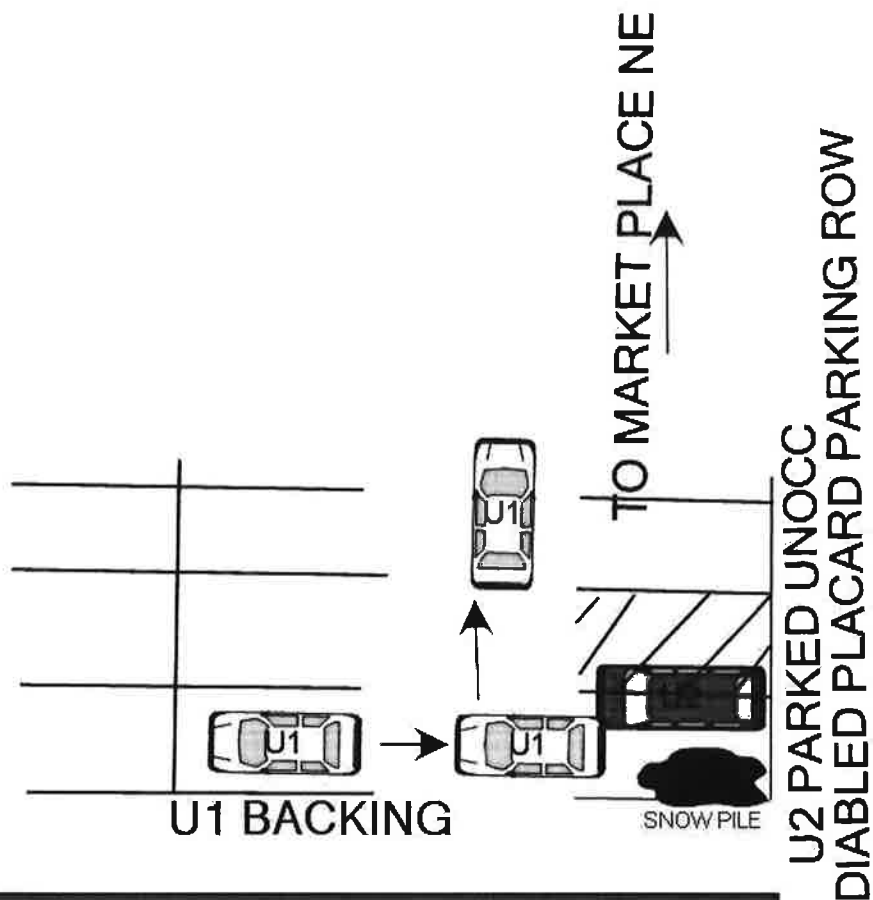

I took several digital images of U2 and later printed the images and saved the images onto a CD-RW as evidence and secured the evidence at the police department.

At this time Target store security is working on saving the video surveillance to a CD-RW for evidence. Target store security is also working on a written statement.

I obtained the owner of U2 (Bishop's) statement and cleared the incident at Target around 1855 hours.

On November 29, 2014, I, Target Protection Specialist Olivia Charles, was made aware of the following informational incident regarding a team member's property damage by a team member at the Lake Stevens Target store (T-1313). A guest's vehicle backed into a Team member's vehicle in the parking lot. The Team member notified PD and AP gave footage to PD. After reviewing archived video surveillance footage, I was able to build the following timeline. All times are approximate. At 4:08 PM, a white Toyota entered Target property from the south. An individual exits the vehicle. At 4:15 PM, an unknown male subject (hereafter will be referred to as S1) enters through the Main Entrance doors. S1 is wearing a tan baseball cap, a blue and black plaid jacket and black pants. There is no Target merchandise visible on S1 as he enters the store. At 5:52 PM, S1 enters the Guest Service check lanes. (Receipt ID# 2-4333-1331-0071-6929-4). At 5:57 PM, S1 exits through the Main Exit doors. He is assisted by Team Member (employee) Michael. At 6:01 PM, S1 enters the driver's side of the sedan. At 6:10 PM, S1 backs the white Toyota into Team Member Joan's vehicle. He exits off Target property heading south.

Video and pictures have been saved.

There is nothing further to report at this time.
